We welcome you all to visit the project to gain a better perspective of how the Life Republic community is being built. For further details we request you visit the site office or call 1800 2666654.

Commenting on the development, Mr. Gopal Sarada, Group CEO, Kolte-Patil Developers Limited said, "Despite the challenging times facing the sector over the last few years, Kolte-Patil's performance has been consistent, with on time completion of projects making us the preferred choice of customers. We have welcomed RERA and GST and believe these regulations will improve buyers' confidence and benefit transparent, organized developers like us. Besides, lower home loan rates and implementation of Credit Linked Subsidy Scheme (CLSS) under the Pradhan Mantri Awas Yojana (PMAY) has made home loans easily accessible and affordable to consumers.

The sector is at an inflection point and an opportune time for us to reach out to our customers with attractive offers. Life Republic is a fully integrated township project with ready state-of-the-art infrastructure and amenities making it a landmark destination in western Pune. We are delighted to welcome all our valued customers to experience the vibrant community being built around the core values of creativity and sustainability, and capitalize on the attractive prices and offers at 'The Great Year End Sale'."
